Description of the Community: The Wealthy Thinking Community is an online Christian Fellowship of individuals and organizations who support the central belief that, *God wants all humankind to be successful, whole, wealthy individuals in every area of their lives.*

Purpose: To join together like-minded wealthy thinking individuals in an online group fellowship for communication, fellowship, training, and encouragement.

Vision: To see God's people enjoying the wealth for which they were created.

Mission: To promote a wealthy consciousness for individuals, communities, and nations.

This Mission will be accomplished by:

- ⇒ **eradicating** poverty thinking;
- ⇒ **empowering** people to flow in God's Wealth Cycle; and
- ⇒ **encouraging** individuals to develop wealthy attitudes and habits for personal, social, and economic prosperity.

Central Theory: God's Wealth Cycle

There is a God-ordained cycle of true wealth in God's original wealth plan that blesses all humanity. I call this, God's Wealth Cycle – **P.I.E.S.** (P.I.E.S. = **Producing** Wealth, **Increasing** Wealth, **Enjoying** Wealth, and **Sharing** Wealth)

Primary Vehicles of Communication

The book: *God Wants You To Be Wealthy*, The Wealthy Thinking Ezine and Wealthy Thinking Web Site: **WealthyThinking.com**.

Description of the Newsletter Wealthy Thinking Ezine - A Monthly Wealth Commentary

It's a Christian motivational commentary dedicated to seeing God's people enjoy the wealth for which they were created. The **Wealthy Thinking Ezine** is your ezine for Wealthy Thinking & Living. I have especially designed this publication to promote a wealth consciousness for individuals, communities, and nations. It presents the keys for **CREATING** and **ENJOYING** the wealth within and the wealth without. Each issue presents the innovative wealth action perspective called P.I.E.S.
